Case No.: 12-CV-3393 YGR

**ORDER RE: JOINT DISCOVERY LETTER BRIEF
(DKT. NO. 88); SETTING COMPLIANCE
HEARING**

16 Having duly considered the parties' Joint Discovery Letter Brief (Dkt. No. 88), the Court
17 **GRANTS** Plaintiff's request for complete production of documents responsive to its Requests for
18 Production Nos. 18 through 24, inclusive. Further, the Court **STRIKES** Defendant's proffered
19 limitation on production to only those documents relating to the "constraining structure" of the
20 Chocolate PTA Balloon Catheter. Dkt. No. 88-1 at 15:26, 16:13, 18:21. Defendants shall not limit
21 their production to only those documents relating to the constraining structure. If Quattro Vascular
22 is a wholly owned subsidiary of TriReme, TriReme shall produce all responsive documents in its
23 subsidiary's possession. To the extent a privilege exists, a privilege log must be produced.
24 Defendants shall complete production no later than October 31, 2013.

25 The Court further **SETS** a compliance hearing for **9:00 a.m. on November 8, 2013**,
26 immediately prior to the tutorial in this matter. No later than **November 1, 2013**, Defendants shall
27 file either (1) a Notice of Compliance with this Order or (2) a one-page joint statement explaining
28 why compliance is not complete. In the event of noncompliance, Defendants shall cause to appear

1 *in person* at the compliance hearing the person most knowledgeable of the subject documents. The
2 Court may then, in its discretion, conduct an evidentiary hearing on November 1, and, if appropriate,
3 assess sanctions.

4 If, however, Defendant timely completes the required production, the Court will vacate the
5 compliance hearing and no appearances beyond those needed for the tutorial shall be required.

6 This Order terminates docket number 88.

7 **IT IS SO ORDERED.**
